## Milestones:

### Intense

Congratulations to Emma Penn on reaching 100 games. She did

Netta for 2 seasons in 2003 and started playing in 2004 in Snowflakes which became Red Devils then Devils and is now called Intense. Her favourite positions are GS WD or WA. Well done Emma!!!

## Proposed 2008 Section changes

There has been some discussion about changing the sections for next season. The committee has decided that the 15&Under section will be changed to a 16&Under competition next year (2008). This will allow the opportunity for some teams to remain at the center next season.

There have been further discussions to change all sections. This will be discussed at the next committee meeting. In order to distribute the possible teams in each of the sections better. The new proposal put forward is for a: 16&Under, 14&Under, 12&Under and 10&Under.

The association does not have all date of birth of players (and VNA numbers). We will need to update our records to get a better indication of where teams may fit into this other proposed section structure. Please update dates of birth on the score sheets where requested.

If there are any issues or feedback about this other proposal please make it know to someone on the committee.

## PVNA Tournament

Proposal has been put forward to run a team tournament at the end of the Spring Season, i.e. December 8<sup>th</sup>. This end of year event will be celebrating the 25 year birthday of PVNA. It will be a family fun day, looking at having various novelty activities during the day and a BBQ!

The committee is looking for a group of people to get involved to organize this tournament. **Without volunteers this will NOT run.**

It will take the form of other Netball tournaments, which our rep-teams have been attending. i.e. round robin fixture of games (2x 8min halves) and finals series.

Contact Vince on 0400276008 or email vince@brunoplace.com or catch up on game days
