Representative Team News

Waverley Netball Tournament, on the 17th May was attended by our 11&U, 13&U 1&2, 15&U 1&2 teams.

It was another very successful day for the 13&U(1) team coming away with the Runners Up trophy in the Reserve Division. The team's semi-final win was an amazing game, where the team came from behind to draw the game after a penalty shot at goal (an amazing long range goal by Cassie that was "net" all the way!), to play extra time and win by one goal. Congratulations to the whole team on their excellent team spirit and effort!!

Also, our 11&U team finished at the top of the ladder in the Reserve Division round robin, and are showing excellent skills and improvement in all facets of the game.

Another great effort also by Sarina's 15&U team, that finished third in the Reserve Division and had some really exciting matches where all of the players displayed 100% commitment to winning the ball.

Our other teams that didn't have as much success on the day, are still to be congratulated on their efforts and their team effort. Keep working hard at training and the rewards will come!!

Umpires & Rules

We have two new Umpires out there running the sidelines and to assist them, if the players would be aware of the umpire when the whistle is blown and take up the penalty quickly in the position where the umpire indicates. This will speed up the game.

Rule Obstruction: Everyone is aware that the defending distance must be 0.9 of a metre from the landed foot of the thrower.

When the defending player is preparing to defend the player with the ball and arms leave the body in a defending motion, prior to achieving the desired distance of 0.9 of a metre, this is obstruction.
